Contract & Commercial Division

Introducing the best kept secret in flooring:

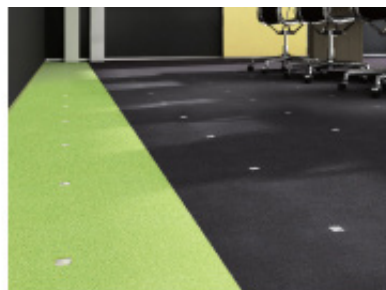

TOLI

GX 9800 NEWCHROMA

GX 300 SURIMI

GX 200 Katto Metal

GA 8700 Caribbean

While Toli are renowned worldwide as creators of truly inspiring flooring solutions, they have

remained an undiscovered gem within the Australian market. But now the secret's out and Nolan Carpets are proud to present their exciting new carpet tile range. Inspired by the world's leading designers, this collection will ensure your commercial interiors are practical, stylish and innovative.

Our objective is to provide you with the resources to allow your application to take on its own character. Whether it's a bold, colourful spectacle (Newchroma), a subtle point of difference (Katto Metal) or just simplistic elegance (Caribbean), we'll ensure the end result compliments what you originally envisaged.

Explore endless creative possibilities where the only the limits are set by your imagination.
