Achilles

The Clear PVC Innovators

Achilles **Rollglass Plus** PVC glazing is the perfect marine enclosure solution to ensure enjoyment on the water, no matter what the weather brings. Achilles is the leading brand of UV stabilised clear PVC that is ideal for marine canopies and enclosures.

Achilles Rollglass Plus is manufactured using a unique extruded manufacturing process where the molten PVC is pushed or pulled through a die resulting in a smoother surface, and excellent visual clarity. It also uses advanced UV inhibitors to assist with performance and longevity.

The Benefits of Using Rollglass Plus

- Advanced UV additives help maintain original clarity for much longer than regular clear PVC products
- UV stabilised
- High clarity
- Made in Japan
- Proven field performance
- Supported with a 3 Year UV Warranty

1.00mm Clear

ROLLGLASS PLUS

Thickness	Finish	Dimension Width (cm) x Roll Length (m)	Warranty	Industry
1.00mm	Clear	137 x 14	3	Marine
		137 x 20	3	Marine
		200 x 14	3	Marine
