Capri

PermaShield®

Interior/Exterior Upholstery Fabric

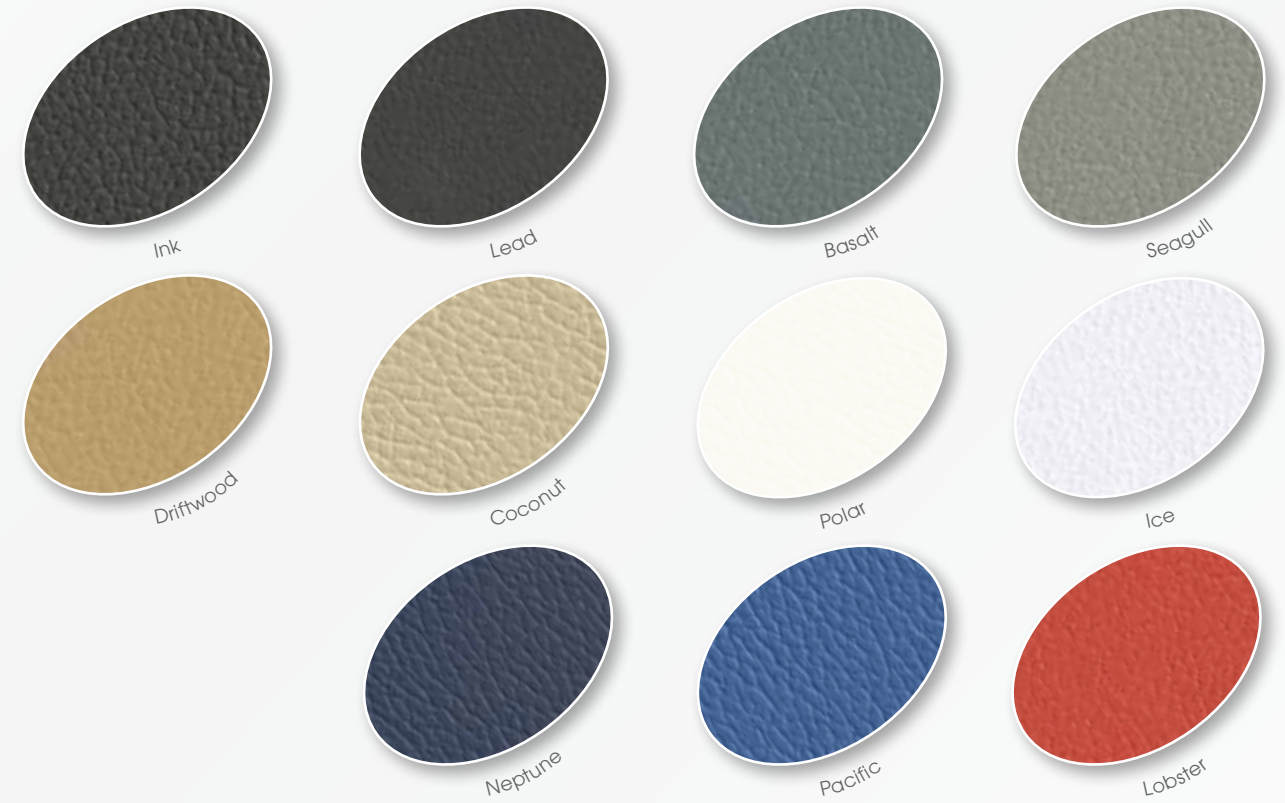

Capri

The iconic brand that is the perfect solution for interior and exterior environments.

Capri pebble

Capri Pebble is the same proven and trusted construction as the standard range with an alternative emboss for those who prefer a heavier leather style grain.

Lead

Capri carbon fibre

Carbon Fibre is a contemporary finish that is commonly used in recreational boats. Capri combines decades of performance with this striking finish.

The information provided represents the results sourced from an independent third party testing authority. Tolerances may vary up to 10%. All information was current and accurate at the time of printing. For all available colours please refer to your sample books. Colours are for representation only. Please see product sample card for colour reference.

APPLICATION GUIDE

One of the reasons why Capri has stood the test of time is because of the versatility it offers to a variety of applications. Whether it is for lounging on the coast or learning in the classroom, Capri is the market leader for performance and longevity.

Marine

Australian lifestyle is synonymous with time on the water. Capri has been a renowned brand within the marine industry for over 40 years. Not only is the construction designed to match the harsh Australian conditions, but the colours and patterns provide options for all vessel types.

Education

All elements of a classroom must help create a functional and engaging learning environment. Capri offers comfort, durability and functionality, as well as a vibrant colour palette that is suited for any design. The PermaShield protective finish minimises stains and provides easier care and maintenance.

Commercial

The refreshed colour palette, choice of finishes, durability, anti-microbial properties and ease of care and maintenance mean this range is an ideal solution as a furnishing fabric for all commercial environments.

Hospitality

Experience tells us that there are two key elements in hospitality, the material needs to look good and be durable to withstand the heavy traffic, potential spills and impacts within these environments. Capri offers solutions for indoor and outdoor hospitality spaces whether it's a hotel, restaurant, café or leisure space.

Healthcare

Capri can play a role in creating the sanitised environments required for health and aged care sectors. Capri provides built-in protection from microbial and fungal attack and the staining, odours & structural degradation that can accompany it.

PRODUCT DETAILS

Roll Length	30m
Roll Width	137cm
Thickness	1.0mm
Weight	615g/m ²
Composition	PVC with polyester/cotton backing

PermaShield Protective Finish

Keeping upholstery clean can be a challenge. The entire Capri range is finished with a PermaShield coating to protect the surface and help maintain the fabric's original appearance. This sophisticated lacquer also helps control unwanted stains and graffiti.

Engineered for Performance

It takes decades of development to combine a durable fabric with a soft touch. The Capri Collection has evolved to be Australia's market leading indoor/outdoor upholstery fabric with 40 years of proven performance.

Fire Retardant

All Capri ranges are fire retardant and comply with the stringent commercial Australian Building (AS1530.3) and International Marine Organisation (IMO A.652.16) standards.

UV Stabilised

Capri offers the diversity of performing equally both indoors and outside. Its resilience to the harsh Australian elements has been proven countless times.

Anti-microbial Treatment

Incorporated into the Capri formulation is an anti-microbial additive. This inhibits the growth of bacteria, helping to control mould when used in the marine sector and unwanted bacteria in healthcare and commercial environments.

Warranty

If decades of performance wasn't enough evidence of the Capri performance, it's supported with a 2 year warranty for peace of mind.

OTHER RELEVANT UPHOLSTERY OPTIONS

*Over 40 years' performance
in the harsh Australian conditions.*

Durability, versatility and style are critical features for upholstery. You must be confident that the material looks good and is up to the challenge in terms of performance.

The Capri range is an iconic Australian brand that has enjoyed over 40 years of success. Its performance characteristics combine perfectly with a broad colour palette in the standard, pebble and carbon fibre finishes. It is the perfect solution for a variety of commercial and marine applications.

Capri has been proven and trusted countless times when exposed to the harsh Australian elements. Its exceptional UV resistance will ensure outstanding performance in marine as well as indoor and outdoor applications.

WARRANTY

Capri is a premium quality fabric designed for indoor and outdoor upholstery. Engineered for Australian conditions, Capri has been proven and trusted for over 40 years. Capri is manufactured to ISO 9001 quality control standards.

1. Nolan Group guarantee for a period of two (2) years that Capri fabric;

- a) Will be free from manufacturing defects.
- b) Is manufactured to its published specifications.
- c) Will not degrade unreasonably as a result of ultra violet exposure.
- d) Is fit for its intended purpose.

2. In the event of a claim;

- a) The warranty is not transferable and applies only to the original purchaser.
- b) Nolan Group must be notified in writing within 30 days of the defect being identified.
- c) Proof of purchase and product details including batch numbers must accompany a valid claim.
- d) Warranty period starts from the original date of purchase and does not transcend the standard Nolan Group 'conditions of sale'.

3. Nolan Group will not be liable for any claim under this warranty if any of the following apply;

- a) The defect has been caused by improper use or the product is not used for the purposes that it has been designed.
- b) The product has been subject to misuse, neglect or abuse.
- c) The product was not maintained in accordance with the published care & maintenance guide.
- d) The product has been altered or modified in any way unless such modification has been approved in writing by the Nolan Group.
- e) The product has not been fabricated by a qualified tradesman or to a reasonable standard of workmanship.

4. If the claim is valid;

- a) Nolan Group will not be liable for any consequential damages or loss as a result of any defect.
- b) This warranty applies to the fabric only. Labour may be considered at the discretion of Nolan Group.
