

**Product
overview**

This document is intended to guide you through the Etch™ specification process. Etch is a customisation option to provide a visual layer of expression, a wall fabric combining design, colour and texture. Available in a diverse colour palette, choose from 15 standard patterns or Etch your own custom design.

**For more information
on Etch please refer
to the following
documents:**

- Etch™ Lookbook
- Etch™ Install Instructions
