

Shown: GX9051, GX9052, GX9053

Over many centuries, the use of stone and its unique random pattern has played a prominent part in construction, however despite its history, it is still considered a modern finish. Whilst hard polished surfaces are stylish, they are not practical in terms of acoustics and general comfort. The Srone carpet tile range provides a solution without compromise. Soft and functional flooring in a dynamic, stone-like pattern.
