EYE SHADE AND SCREEN

Presented by:

DOMINIC NOLAN

Product and Business Development Manager

Multipurpose Solutions

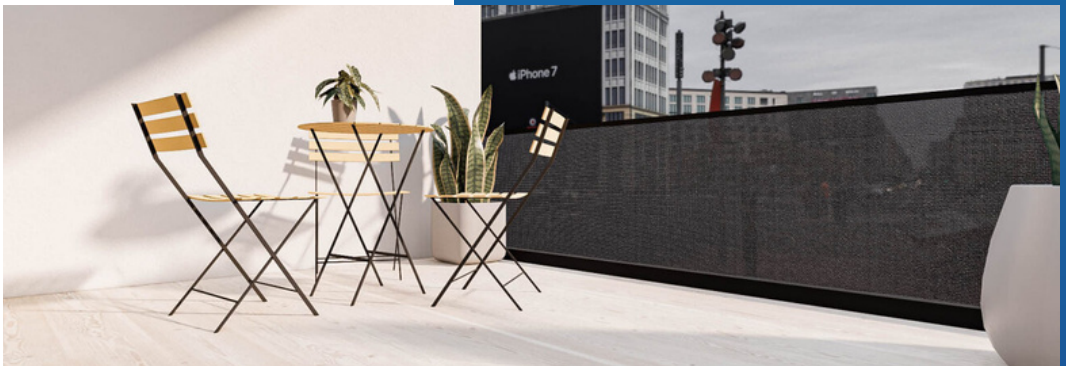

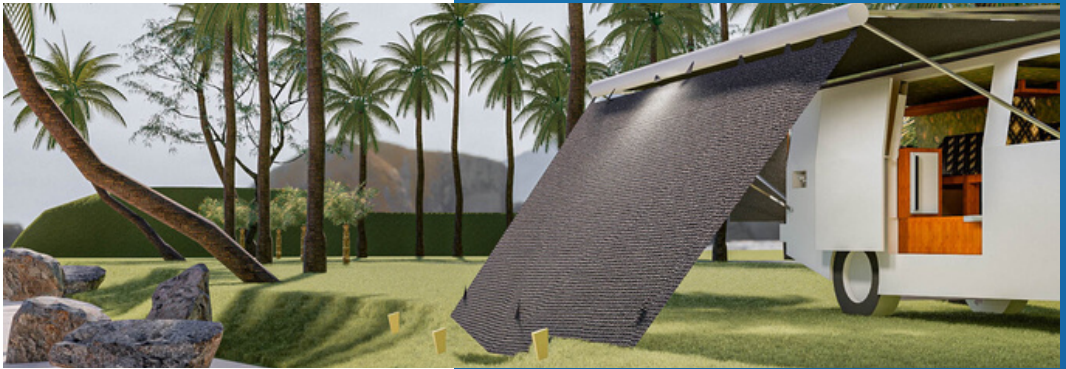

✓ Lightweight and patio structures

✓ Camping and recreation

✓ Gardening

✓ Fence/ site screening

✓ Balcony screening

What is **Eye Shade & Screen?**

- ✓ High-quality UV stabilised, non-shrink heat-set, knitted shade cloth offering 90% UV block.
- ✓ Product dimensions: 1.83 x 6m.
- ✓ Colour: COLORBOND® inspired Monument.
- ✓ Side and centre selvage for easy modification.
- ✓ In-stitch eyelet (as pictured left) offers 18% more strength compared to nickel and aluminium variants.

Pricing and Stocking

- ✓ Pricing for comparable retail shade options range between \$73-\$110 (incl. GST).
- ✓ Wholesale price \$49 (exl. GST).
- ✓ RRP \$75 (exl. GST).
- ✓ Pallet containing 90 x ready-for-sale rolls available for consignment programs.
- ✓ 3- month, no-commitment consignment trial program available.

Let's Chat

The Nolan Group offer your business and outdoor-loving Aussies a versatile, stylish and durable solution to shade and screening that meets Australian standards for outdoor fabrics.

Confident, strong, and hugely popular, the COLORBOND® Monument colour will suit most modern and contemporary exteriors and will appeal to a large demographic.

I'd appreciate an opportunity to take the next steps in this proposal, and meet with you again - either virtually or in-person.
