# Autex Acoustics® x Emma Hayes Pattern Guide

● Emma Hayes  
Nebula Mist

# The perfect pairing

Blending the best of both brands, Autex Acoustics® x Emma Hayes brings the subtle features of our landscape with acoustic functionality into the built environment. Printed onto Cube™ this range is made up of eight designs with our natural environment as the core inspiration.

The rigidity of the materials used means that these prints are fit for a range of interior spaces and contain a minimum of 60% recycled material. These are printed in our digital printer, allowing for detailed images that are dry to the touch as soon as they're printed.
