

MARINER BOAT HOODING

WATERPROOF PVC LACQUERED POLYESTER

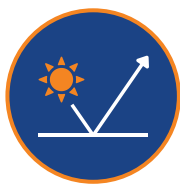

Four decades of Australian durability, providing unwavering protection and enduring style for marine and automotive applications.

MARINER BOAT HOODING

Command all conditions with unwavering confidence! For over 40 years, Mariner Boat Hooding has conquered Australia's harshest weather, providing legendary durability not just for marine applications, but for tough automotive covers alike.

Its premium quality, enhanced by PermaShield, ensures lasting beauty and easy care. The advanced Bio-Pruf protection stops mould and mildew and the waterproof backing guarantees dryness.
