

Elevating exteriors with
Vistaweave Acrylic

Australia's most
trusted range of
external blind
fabrics

For the way we live

For over 40 years, Vistaweave has been synonymous with trusted quality, engineered by world-leading textile innovators. Our range is designed to do more than protect you from the elements. It's about creating the perfect balance of comfort, shelter, and an uninterrupted connection to the world outside, so you can truly live in and love your outdoor spaces.

Vistaweave Acrylic offers true versatility across a range of shading application. From home patios and café storefronts to umbrellas and pergolas, Vistaweave Acrylic can be tailored to provide the ideal balance of privacy, weather protection, and energy efficiency.

Explore our 53 carefully curated colours and experience a high-quality, durable finish that performs flawlessly for years to come.

Seamless indoor-outdoor living, all year round with Vistaweave Acrylic

Vistaweave Acrylic adapts to suit your lifestyle. As an awning, it transforms your favourite external areas into a protected sanctuary; as a climate-control blind, it acts as a powerful thermal barrier that repels heat and insulates your home's interior. Both provide a sophisticated layer of style and year-round comfort.

Make more
of your home,
with Vistaweave
Acrylic.

Improved Energy Efficiency

Actively keeps interiors cooler in summer while retaining warmth in winter.

Easy Cleaning

Features a protective finish for effortless care.

Water Repellent

Features a protective finish that doesn't compromise the fabric's breathability.

Long-Lasting Colour

The acrylic fibre is dyed to ensure long-term colour durability.

Mould & Mildew Resistant

Incorporates an antibacterial treatment into the yarn.

Stain-Resistant

Engineered with a protective coating that creates a barrier effect, reducing dirt adhesion.

Dimensional Stability

Subjected to extra stress testing to ensure the fabric maintains its shape.

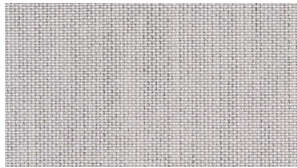

Quality & Environmental Certification

Certified under Oeko-Tex® Standard 100 to be free from harmful substances.

Engineered by world-leading textile innovators, Vistaweave Acrylic is the perfect solution to extend and protect your outdoor space without compromising your architectural style.

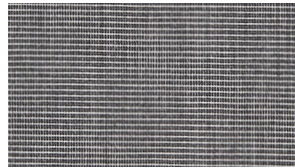

Choose from 53 colours, carefully curated to seamlessly integrate with traditional and modern exteriors.

Our versatile Vistaweave Mesh range lets you choose your perfect level of privacy and light, ensuring a solution that perfectly suits your lifestyle.

Vistaweave Mesh and Acrylic Engineered for the Australian climate, designed for your home

Engineered to perform in Australia's toughest climates, the combination of Vistaweave Mesh and Acrylic significantly boosts energy efficiency.

Designed to work collectively, the Vistaweave range allows you to customise the North, South, East, and West facades of your home with a strategic mix of Vistaweave Mesh and Vistaweave Acrylic. Beyond enhancing privacy and shade, this tailored approach reduces your reliance on cooling and retains warmth, significantly lowering your energy costs.

Utilise the versatile mesh range - available in five levels of openness - to optimise light, privacy, and ventilation based on the orientation of each room. Then, integrate Vistaweave Acrylic to further expand your living area with a durable acrylic awning.

Redefine your home with the complete Vistaweave collection and create a perfectly cohesive aesthetic across your entire project. The result is a seamless flow between your indoor and outdoor spaces, ensuring your alfresco living remains a functional extension of your home all year round.
