# SRONE

## G X 9 0 5 0

Over many centuries, the use of stone and its unique random pattern has played a prominent part in construction, however despite its history, it is still considered a modern finish. Whilst hard polished surfaces are stylish, they are not practical in terms of acoustics and general comfort. The Srone carpet tile range provides a solution without compromise. Soft and functional flooring in a dynamic, stone-like pattern.

<b>YARN</b>	Solution Dyed Nylon
<b>FINISH</b>	Textured Loop Pile
<b>PILE WEIGHT</b>	640gsm (18.9oz)
<b>TILE DIMENSION</b>	1000mm x 250mm
<b>TOTAL THICKNESS</b>	8.0mm
